PL LED

La Circus rappresenta la filosofia della “Camicia bianca” versatile e adatta ad ogni contesto. Un prodotto semplice ma completo che permette di personalizzare il paralume in tessuto con passamaneria di colorazioni diverse. Tutte le dimensioni disponibili hanno le sorgenti luminose montate verticalmente sui raggi del supporto per garantire un’illuminazione omogenea senza formazione di ombre. Le chiusure e i dischi diffusori sottostanti sono realizzati e montati con il filo armonico che consente di piegare leggermente i bordi del disco diffusore, di inserirlo e quindi appoggiarlo sulla corona interna del telaio inferiore. Questo garantisce la cosiddetta chiusura a tamburo che a livello di finitura estetica è senza dubbio una delle più raffinate, poiché non ricorre a ganci o supporti.

*Circus represents the philosophy of the “White Shirt”, versatile and suitable for any context. A simple but complete product that allows you to customize the fabric shade with different coloured trimmings. All available sizes have the light sources mounted vertically on the support spokes to ensure homogeneous lighting without shadows. The bottom diffusing discs are made and mounted with the piano wire that allows to slightly bend the edges of the diffuser disc, in order to insert it and then place it on the inner board of the lower frame. This guarantees the so-called “drum effect”, which undoubtedly is one of the most refined in terms of aesthetic finish as it does not resort to hooks or supports.*
