MASSIMILANO RAGGI

NOMAD | WIRED OUTDOOR

Cube Outdoor, a collection designed by Massimiliano Raggi, elegantly reinterprets the portable lantern and is available in white or bronze finishes.

In the large version, it becomes a small luminous architecture, ideal for poolside areas and patios, while the small version offers a soft light and easy portability. An expression of Contardi's philosophy of bringing interior design outdoors.

In the Nomad version, the light switches on automatically with a simple rotation of the battery unit positioned on the top; for recharging, the battery unit can be removed and connected to a power source without moving the lamp. Cube is now also available in a mini size.

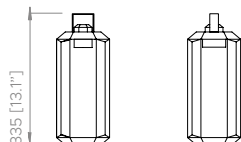

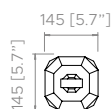

Cube Outdoor, collezione firmata Massimiliano Raggi, reinterpreta con eleganza la lanterna portatile ed è proposta nelle finiture white e bronze.

Nel formato large si trasforma in una piccola architettura luminosa, ideale per piscina e patio, mentre nella versione small offre una luce delicata e facilmente trasportabile. Espressione della filosofia Contardi di portare l'interior design all'esterno.

Nella versione Nomad, l'accensione è automatica grazie a una semplice rotazione del corpo batteria posizionato nella parte superiore; per la ricarica è sufficiente rimuoverlo e collegarlo alla corrente, senza spostare la lampada. Cube è ora disponibile anche nel formato mini.
