

ISTRUZIONI INSTALLAZIONE - INSTALLING INSTRUCTIONS - INSTRUCTIONS DE MONTAGE

Aprire il morsetto e connettere l'alimentazione
Open the casing and connect power supply
Ouvrir le borne et relier l'alimentation

NEL MONTAGGIO O NELLA SOSTITUZIONE DELLA LAMPADINA, VERIFICARE SEMPRE LA PRESENZA DELLA GUARNIZIONE (O-RING), TRA GHIERA E VETRO. AVVITARE IL VETRO FINO A COMPRIMERE LA GUARNIZIONE. SE IL VETRO O LA GUARNIZIONE RISULTANO DANNEGGIATI, NON COLLEGARE L'ALIMENTAZIONE, E SOSTITUIRLI.

DURING THE ASSEMBLY, OR WHEN REPLACING A BULB, VERIFY THE PRSENCE OF THE GASKET (O-RING) BETWEEN THE RING NUT AND THE GLASS. SCREW THE GLASS TILL THE GASKET IS COMPRESSED. IF THE GLASS OR THE GASKET ARE DAMAGED, DO NOT CONNECT THE POWER UNIT AND REPLACE THEM.
