Crystal è una lampada da tavolo, disponibile in due misure e finiture, il cui design guarda sia ai microfoni degli anni '30 che ad uno specchio un po' retrò. Il diffusore è realizzato in vero cristallo inciso, la cui brillantezza è messa in risalto dai microleds inseriti nella griglia posteriore, in perfetta corrispondenza di punti in cui le incisioni del cristallo si incontrano facendone un prodotto "gioiello".

*Crystal is a table lamp, available in two sizes and finishes, whose design looks at both 1930's microphones and a slightly retro mirror. The diffuser is made of engraved crystal, whose brilliance is set off by the microleds inserted in the rear grid, in perfect correspondence with the points where the crystal incisions meet, making it a "jewel" product.*
