

DORIAN

Marcello Colli

SO SMALL

Famiglia di lampade nelle quali l'aspetto illuminotecnico si integra a quello decorativo. Il disco orientabile da una parte è diffusore, con grandi capacità e qualità luminose (ulteriormente migliorate dal nuovo diffusore con serigrafia a nido d'ape), dall'altra è specchio, che dona un tocco di classe al prodotto. Dorian ha doppia funzione, luce diretta ed indiretta, per illuminare grandi spazi o creare soltanto degli effetti e dei riflessi.

Family of lamps in which the lighting design is integrated into the decorative one. The adjustable disc on one side is a diffuser with high performances and qualities (further improved by the new diffuser with honeycomb screen printing), on the other side is a mirror, which gives a touch of class to the product. Dorian has a dual function, direct and indirect light, to illuminate large spaces or to create only effects and reflections.
