Preziosa semplicità.

Elementi triangolari dalle linee pure ed essenziali, che emanano una luce suggestiva pur essendo funzionali. La luce diventa protagonista, grazie al diffusore rigato, scelto ad hoc per produrre giochi di luce unici in vari contesti. Prodotto esteticamente minimalista, Stick è tecnicamente realizzato secondo uno standard molto elevato, senza viti o fissaggi, tranne sul retro. Elementi puri e architettonici si fondono all'interno di un corpo illuminante di grande carattere. Stick illumina l'ambiente circostante in modo uniforme se visto di fronte; tuttavia, a seconda dell'angolo di visione, crea effetti di luce differenti. La gamma di prodotti Stick è costituita da lampade a parete, a sospensione e da terra.

Precious simplicity.

Triangular elements with pure, essential lines, which emanate an atmospheric light while being functional. Light takes the leading role, thanks to the ribbed diffuser, chosen specifically to produce unique plays of illumination in various contexts. An aesthetically minimalist product, Stick is technically made to a very high standard, with no screws or attachments, except on the back. Pure and architectural elements are combined within a lighting unit of great character. Stick lights its surroundings evenly when seen from the front; however, depending on the viewing angle, it creates different light effects. The The Stick product range consists of wall, pendant and floor lamps.
