Clara, the collection born from the creativity of Chiara Caberlon in collaboration with Marco Forbicioni, now welcomes a new wired version. In this evolution, the removable handle becomes fixed, and the light source is positioned at the bottom to provide even more harmonious light diffusion. Equipped with an LED bulb and IP65 protection, the Clara wired retains the finishes of the battery-powered version and introduces a new one: a brown Vienna straw-effect resin diffuser available only with bronze lacquered frame. It also includes an IP68 connector to ensure maximum water resistance.

Clara, la collezione nata dalla creatività di Chiara Caberlon in collaborazione con Marco Forbicioni, si arricchisce di una nuova versione cablata. In questa evoluzione, la maniglia removibile diventa fissa e la fonte luminosa è posta nella parte inferiore, garantendo una diffusione della luce ancora più armoniosa. Dotata di una lampadina LED e protezione IP65, Clara cablata mantiene le finiture della versione a batteria, aggiungendone una nuova: la resina effetto paglia di Vienna marrone disponibile solo con struttura laccato bronzo; viene fornita con connettore IP68, assicurando massima resistenza all'acqua.
